A beautiful private home dedicated to the service of the public. We are able to give the best that is possible regardless of the amount expended. A pipe organ is one of the beautiful furnishings of the home.

Through conservative management, this Bank has  
increased its surplus \$9,500 in the last  
four and one-half years

## Better Tire Repairing

With Electrical Equipment

Our electrical equipment assures perfect vulcanization. Steam is generated by electric heat—pressure control is automatic—temperature is even at all times. Over-curing is impossible. This means better tire repairs. We're all set and ready for that damaged tire of yours.
